Authority and Reference: Pursuant to the authority vested by Section 2018 of the Business and Professions Code, and to implement, interpret or make specific Sections 2190 of said Code, the Board is considering changes to Article 11 of Chapter 1 of Division 13 of Title 16 of the California Code of Regulations as follows:

INFORMATIVE DIGEST/POLICY STATEMENT OVERVIEW

Amend Section 1338: Modification to Continuing Medical Education Audit

Business and Professions Code Section 2190 authorizes the Board to adopt and administer standards for the continuing education of its licensees. Existing regulations provide direction to the Board to audit once each year a random sample of physicians who have reported compliance with the continuing education requirement.

This proposal would allow the Board to perform the audit in twelve equal batches throughout the year to make the workload manageable, predictable and consistent.

FISCAL IMPACT ESTIMATES

Fiscal Impact on Public Agencies Including Costs or Savings to State Agencies or Costs/Savings in Federal Funding to the State: Minor Savings. The Medical Board will save some funding as the workload can be accomplished with existing resources and no overtime will be used.

Nondiscretionary Costs/Savings to Local Agencies: None.

Local Mandate: None.

Cost to Any Local Agency or School District for Which Government Code Section 17561 Requires Reimbursement: None.

Business Impact:

The board has made an initial determination that the proposed regulatory action would have no significant statewide adverse economic impact directly affecting business, including the ability of California businesses to compete with businesses in other states.

AND

The following studies/relevant data were relied upon in making the above determination: None.

Impact on Jobs/New Businesses:

The Board has determined that this regulatory proposal will not have any impact on the creation of jobs or new businesses or the elimination of jobs or existing businesses or the expansion of businesses in the State of California.

Cost Impact on Representative Private Person or Business:

The Board is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action.

Effect on Housing Costs: None

EFFECT ON SMALL BUSINESS

The Board has determined that the proposed regulations would not affect small businesses. This proposed change will only affect the Board's internal procedures related to how it performs the CME audit. It will not change how licensees renew their licenses or verify the completion of continuing education requirements.

CONSIDERATION OF ALTERNATIVES

The Board must determine that no reasonable alternative it considered to the regulation or that has otherwise been identified and brought to its attention would either be more effective in carrying out the purpose for which the action is proposed or would be as effective and less burdensome to affected private persons than the proposal described in this Notice.

Any interested person may present statements or arguments orally or in writing relevant to the above determinations at the above-mentioned hearing.
